Thomas Sheridan Has Again Been Named A Top 100 Lawyer In Philadelphia.

SHERIDAN & MURRAY IS ONE OF THE PRE-EMINENT LAW firms in Pennsylvania and New Jersey dedicated to protecting the rights of individuals and achieving justice for those catastrophically injured due to the wrongful conduct of others. Sheridan & Murray is committed to helping victims and their families recover from devastating injuries and wrongful death caused by construction accidents, tractor-trailer accidents, defective and dangerous products, medical malpractice, nursing home neglect, workplace accidents, maritime and longshore accidents, motor vehicle collisions and civil rights violations.

TRADITION OF EXCELLENCE Founded more than 10 years ago by Thomas W. Sheridan, the firm has a reputation as an aggressive, hard-hitting team of trial lawyers led by Sheridan, Neil Murray, Sean Quinn and Christopher Hinderliter. The firm's lawyers are recognized throughout the legal community for their expertise, work ethic, preparation and determination. Sheridan & Murray has recovered numerous million- and multimillion-dollar settlements and verdicts for its clients. The firm has also achieved necessary changes in government, health care, business and industry practices. The trial lawyers at Sheridan & Murray received national recognition for their work in exposing widespread sexual misconduct within the Pennsylvania State Police Department. The firm's efforts led to the implementation of extensive changes to protect the citizens of Pennsylvania.

LEADERSHIP Thomas Sheridan, the firm's founder, has been named to *Pennsylvania Super Lawyers*[®] for the fifth consecutive year. This year, he was again named to the Top 100 Philadelphia list. Sheridan is a widely respected leader in the legal community and has appeared on numerous national and local news programs, including *The O'Reilly Factor*, *Top Ten Countdown with Keith Oberman*, *CNN Morning News* and *It's Your Call With Lynn Doyle*. Sheridan is also a member of the board of directors of the Philadelphia Trial Lawyers Association.

Neil Murray has again been selected to *Pennsylvania Super Lawyers*. He has built an excellent reputation as a trial lawyer through his winning representation of clients in complex personal injury matters. He has won multimillion-dollar verdicts and settlements in some of the most conservative counties in the state. As a former Philadelphia local and federal prosecutor, Murray understands the importance of achieving justice for all of his clients.

TEAM APPROACH Through Sheridan & Murray's team approach, the firm's clients are not assigned to just one trial lawyer, but rather the entire team. Insurance companies and businesses have teams of attorneys representing their interests—Sheridan & Murray believe its clients should have a team protecting theirs as well.
